Man On Trial In Ontario Identified As In Kidnap Gang

John S. Labatt Tells Jury He Recognizes David Meisner, the Accused; Brewery President Says He Was Threatened With Death

Tells How He Was Seized on Road

Calcutta Press
London, Ont. Jan. 31.—John S. Labatt was threatened with shooting, drowning and hanging by his kidnapers, the wealthy brewery president testified to-day at the kidnap trial of David Meisner here.

BEFORE JURY IN LONDON, ONT.

DAVID MEISNER

KIDNAPPING IS REVEALED

Abduction in Ontario Two Years Ago For \$30,000 Was First in Canada

London, Ont. Jan. 31.—The \$30,000 kidnapping of a London brewer, Charles Burns, former president of Carling's brewery, kept veiled in police secrecy for more than two years, was known to the public to-day. It was brought to light following mention of it during the trial of David Meisner, charged with the kidnapping of John S. Labatt last August for \$100,000, which was not collected.

FRENCH PREMIER VISITS LONDON

Conversations With British May Change Peace Structure of Europe

BY GEORGE HAMILTON
Canadian Press Staff Writer

London, Jan. 31.—Premier Pierre Etienne Flandin and Foreign Minister Pierre Laval of France will arrive in London to-day for conversations with British statesmen at a critical turn in European affairs and in a last-minute air of mystery.

French, passing through lean years of depression—owing to the low birth rate during wartime—now Germany's growing strength with apprehension, and wants security before she recognizes Germany's equality. With her lower population she holds equal in power with Germany.

STOP VISITORS AT GOLDSTREAM

Because serious visitors are hampering the operations of the work gangs on the Goldstream dam, it has been necessary to post a police guard on the island highway to prevent the public from getting into the work area.

Judges Vindicate Dentist, Charged With "Unprofessional Conduct"

Dr. Charles J. Coultas of Victoria and Vancouver was to-day vindicated by the B.C. Court of Appeal of the charges brought against him by the College of Dental Surgeons of B.C. of being guilty of unprofessional conduct in operating a school of mechanical dentistry in connection with his practice and advertising and selling dental plates at unprofessional prices.

GANGS SAVED CITY'S POWER

With But Two Days' Grace For Full Service, B.C.E.R. System Restored

How gangs saved power on the snow-covered steeply sloping banks of Jordan River repelling the major washout in the company's flames to keep Victoria supplied with electric power was described vividly to-day by George M. Tripp, general superintendent of the British Columbia Electric Railway Company, on his return from the flood-damaged area.

A number of pupils of Miss E. V. Evans were heard in recital Saturday evening at the Douglas Street Baptist Church. Mrs. F. T. Tappert and Master Edward Bulford rendered the program which was composed of a large number of songs. Rev. F. W. McClinton presided as chairman and gave an encouraging address to both the choir and parents.

The vocal program was efficiently carried out by both junior and senior performers, whose thorough and attractive playing gave pleasure to an exceedingly large and interesting audience.

Barbara Furrer, Ethel Speller, Roy Ward, Ada Vowles, Jean Armstrong, Edward Smith, Phyllis Dawkins, Raymond Vowles, David Vowles, Phyllis Atchison, Evelyn West, Frances Sigby, Margaret Dykes, Reginald Ford, Ruth Rogers. Duetts were also rendered by the following: Ethel Atchison and Edward Smith, Roy Ward and David Vowles, Phyllis Atchison and John Pendray, Beatrice and Jean Armstrong, Raymond and Reginald Ford, Margaret Dykes and Phyllis Ward, Coraen Pendray and Phyllis Dawkins.

YOUNG MOTHER

Associated Press
DENVER, Colo., Jan. 31.—A thirteen-year-old unwed mother is happy to see the second-born baby boy born to her Monday.

Relative of the child mother gave orders at the hospital to-day that the girl "never under any circumstances" be seen by the child.

The mother of the girl explained later the baby would be offered for adoption through the Children's Aid Society.

The father of the infant is a forty-three-year-old man carrying a twenty-year sentence in prison for assaulting the girl.

"HAVE YOU NOTICED WHAT A BRILLIANT POLISH OLD BUTCH GIVES TO THE PORCELAIN BATHROOM FIXTURES?"

"INDEED I HAVE, AND I KNOW WHY. IT'S BECAUSE OLD BUTCH IS MADE WITH PURE 'SEBASTOTTE,' THE BEST NATURAL CLEANING MATERIAL."

Old Butch is the only cleanser made with pure "sebastotte" (pronounced *sis'-as-thee*) a fine, crystalline cleaning and polishing material of volcanic origin. It's ideal for all cleaning—bathrooms, windows and floors, painted walls, woodwork, or on any surface where water may be used. It doesn't scratch. Costs less to use because it goes further.

Mr. H. I. Mallet, Douglas Street, has left on a business trip, to New York.

Mrs. A. E. Marshall of Maplewood Avenue, is visiting in Port Alberni, the guests of her nephew and niece, Mr. and Mrs. Harry Carver.

Miss M. Ogen of Suva, who has been staying at the Empress Hotel, departed last night by the liner Niagara for the Fiji Islands.

Miss Phillips of Winnipeg is expected in Victoria shortly on a visit to Mrs. Roscoe Dixon, Belmont Avenue.

Mr. and Mrs. G. E. Rastliffe of Victoria Arm, who are visiting the city, are staying at the Empress Hotel.

Mr. H. I. Roberts, Linden Avenue, this morning received word from the secretary of the Olympic Games, New York, to the effect that those players who wish to enter the tournaments and find it inconvenient to play at Orford, are to enter the evening match which starts at 8 o'clock to-night.

Mr. and Mrs. James Park, Stirling Road, Quamichan Lake, celebrated their golden wedding anniversary very quietly on Sunday. When transportation conditions permit there will be a party given at the Quamichan Hotel event. Mr. and Mrs. Frost were married in Victoria, fifty years ago, on January 27, 1866, and have lived for the last twenty-five years at Quamichan Lake.

McMILLIPS—FETTER

much interest here was the fact that the ceremony took place yesterday morning at St. Mary's Cathedral, Vancouver, at 10 o'clock, daughter of Mr. and Mrs. J. C. Fetter, of Seattle, and Mr. McMILLIPS, prominent lumber barometer, and son of the Mr. Justice A. B. McMILLIPS of the United States Supreme Court. The wedding was presided over by Father Rini.

The groom's sister and brother-in-law, and Mrs. E. Thornley-Hall, were attendants to the bride.

At the ceremony the bride wore short-coated traveling tailcoat of black tulle, with long hair and worn with chiffon and ailes in navy.

Immediately after the cathedral ceremony at McMILLIPS and his bride left in a Buick motor car for San Francisco, and turning north will reside in

Victoria respectively. Miss Bernice McMillan, sister of the bridegroom, was among the out-of-town guests.

Mr. and Mrs. McMillan left by boat for Seattle and the first anniversary of their matrimony trip to Johannesburg, South Africa, where they will reside. The bride traveled in a smart figured dress of black, white, and black and white, over which was a caudate coat, and her hair was a medium-brimmed magnet in black tulle, sharply upturned in the back.

EX-MINISTER DIES IN JAPAN

Associated Press
Tokyo, Jan. 31.—Shunroku Fujii,

who resigned as Minister of Finance in the Japanese Cabinet last November, died today of tuberculosis. He suffered a nervous and physical breakdown last year as a result of futile efforts to prevent large increases in military appropriations.

AFTERMATH OF A PRISON BREAK

Charles Stephens, a member of the California prison board, who was one of the hostages in the daring escape of four convicts from San Quentin yesterday, is pictured, top, talking to friends following his rescue, with other abducted members from the convicts. Below is the bullet-punctured wall of a cell at Valley Forge, California, where the four convicts were captured in a gun battle. One of the convicts was killed.

PAYS TRIBUTE TO RAIL MEN

E. & N. Superintendent
Voices Appreciation For
Diligence During Trouble

Tribute to the train men, engine men, section men and others connected with the system, who had co-operated to the highest point and had spared no effort to avoid danger to passengers, setting about and freight during recent weather on the line, was voiced by J. A. Kennedy, superintendent of the E. & N. Railway today.

Life had not been endangered to the extent of the damaged condition of the track, Mr. Kennedy explained, stating that there was in fact all over the line as soon as track trouble developed.

The biggest weakness on the entire line was that in the Langford district, and required the longest time to repair the line.

PRaises FOR ALL

"Everyone on the road did his part to avert any accident to passengers or freight," Mr. Kennedy stated. There was little chance of serious mishaps, he explained, owing to the fact that there had been no rain.

Seven or eight wrecks occurred on the Malahat stretch and another big one smashed up the work at Nanaimo. At the latter point, almost serious repairs.

Gangs worked in continuous shifts to clean up the trouble, the superintendent explained as he again expressed his appreciation of the diligent work done by all men on the line, in inspection patrol, passenger and freight runs and in repair work.

FREE FUNERALS FOR PAUPERS

Associated Press

Astoria, Ore., Jan. 31.—Two undertakers, grappling in a price-slashing war, are indirectly pouring dollars into the Clatsop County treasury.

Bids were opened here yesterday for the burial of Clatsop's paupers for the year. One undertaker, it was found, bid one mill for each funeral for a year. His rival offered to bury the paupers free of charge.

The price slashing started three years ago when one of the firms was engaged at \$25 a burial. From then the other firm cut the bid to \$15. Last year, after considerable discussion, the first-mentioned undertaker slashed his price to one mill and got the contract. This year the other went him one mill better and bid "no fee."

Now the county court is seeking advice. It does not know whether it can legally accept a "free of charge" bid.

Supreme Court Judge to Resign

Canadian Press

Ottawa, Jan. 31.—Resignation of Mr. Justice Frank Joseph Hughes from the bench of the Supreme Court of Canada is expected to become effective within the next few days. No decision has been reached as to his successor. Mr. Justice Hughes is resigning for personal reasons. Mr. Justice P. Kerwin of the Ontario Supreme Court and Mr. Justice A. E. Dwyer of the Manitoba Court of King's Bench have been prominently mentioned as likely appointees to the Supreme Court of Canada.

These are the Days When a Dependable Source of Fuel Supply is Really Appreciated

THE Island Miner has never failed during the cold weather and the users of his product have had no cause for worry. The full requirements of the city have been met at all times as thirty thousand tons of coal have been kept in storage in the city.

Severe weather serves to prove the claims of the producers that Island Coals are superior and at the same time effectively disproving the unfair claims of those interested in the sale of inferior imported fuels.

The Island miner absolutely guarantees you the most heat for your coal dollar. Surely there is no reason to shop around when you can buy no better.

Tourist Praise And Criticism

Butchart's Gardens Alone Worth the Trip; Found World's Best Coffee and World's Best Tea; "Don't Modernize Too Much"; "Was Mad at Theatre Ticket Seller."

Following are extracts from quotations sent out to tourists by the Victoria and Island Publicity Bureau:

"Spent \$100 on the road alone in three days. Everything was satisfactory. Your policemen are very courteous."

"Your roads could be improved."

"The hotel on the waterfront at Nanaimo was one of the best I have ever stayed in."

"A trip to Butchart's garden is worth coming the whole distance to make."

"Canadian immigration and customs officials much more courteous than U.S. officials."

"We came because we were told it was a typically English city."

"In the States one says, 'Victoria? O yes, that's where the gardens are,' or, 'Butchart's Gardens. O yes, in Victoria.'"

"We slept in some beds, not all, that would make a Caspian's snout of two boards seen soft. We had some of the worst coffee on

earth, and, incidentally, some of the best tea on earth. You can vice versa this in the United States."

"I think you should advertise the Indian village more."

"Was mad at theatre ticket seller because she charged me ten per cent exchange, which is robbery."

"The man in charge of your observatory was particularly painstaking to see that we saw everything of interest to a layman."

"We came because from common opinion Victoria was like old England—quiet, not running like our cities."

"We spent \$10 on that wonderful beer you have."

"You should have more ferry service."

"I want to come back some day and visit the southern gardens again. They were beautiful."

"This questionnaire is a very admirable idea, and I hope replies will be sent to you and that criticism conditions can be remedied."

"Don't lose the primitive effect of your natural scenery."

"We like the quiet dignity of the Empress Hotel. The lack of a jam head at meals appealed to us in spite of the fact that we are still young enough to dine."

"Don't modernize too much. I first visited Victoria in 1909 and liked the English atmosphere and simplicity of the place."

Quebec, Jan. 31.—Rev. Lennox Williams has resigned as bishop of Quebec diocese of the Church of England in Canada on account of advancing years. He announced the resignation at a meeting of the central board of the diocese yesterday.

Dr. Williams, who is seventy-six, has held the episcopal seat since January 28, 1915.

RECEIVER FOR GRAIN COMPANY

Associated Press

London, Jan. 31.—The financial troubles of one of the leading London grain firms, Struss and Company, were exposed yesterday as the result of the suicide of the firm's India manager, H. C. Whitehouse. An official receiver has been appointed to liquidate the company.

The Baltic Exchange posted a notice barring the company from the floor. Rumors published in the London press estimated the company's liabilities at £750,000—about \$5,750,000.

Basic Facts of Strong Position

88th Annual Report of Canada Life shows substantial progress in 1934

\$1,106,688 increase by the Canada Life in new paid for life insurance including revivals, makes a total of \$53,795,650 for 1934.

\$2,846,889 increase in new annuity considerations was made in 1934, the total being \$12,257,820.

\$5,361,362 increase in income from all sources is reported, giving a total of \$50,859,188 for 1934.

\$15,519,672 increase brought the total assets of the Canada Life to \$242,362,564.

60% increase in policy loan collections in Canada and United States was shown over the previous year, the total collections amounting to \$2,250,000.

5,000 fewer persons applied for policy loans than in the previous year.

\$25,785,318 was paid out by the Canada Life during 1934 under its insurance and annuity contracts. Of this sum, \$17,784,047 was paid to living policyholders.

\$131,827,365 was disbursed by the Canada Life to its insurance and annuity contract holders in the five years of the depression, an amount greater than half its present assets. During the same period the assets increased by over \$68,000,000.

Recovery from the greatest Economic Dislocation the World has ever known seems to be under way. We believe it, not only because all News Agencies, Captains of Industry and Finance, and Public men tell us so; but because it is being felt in the pockets of the people and seen in their faces.

We must get back to first principles. People must get themselves off the back of municipalities. Municipalities must get themselves off the back of the Province or State, and the Provinces or States must get themselves off the back of the Federal Government.

Most people now fully believe that the world cannot get far on the road to recovery without International Trade. It is now realized that the nationalistic spirit has been over-developed in every country in the world. If that is correct, there must be readjustments of quotas, barriers of tariff and import restrictions which a world of harried nations have constructed in their frantic striving for self-sufficiency during the last four years. Although it seems to be unanimously conceded that, before there can be substantial recovery the channels of trade between nations must be opened, every nation continues to ask, "who is going to do it first?"

Public opinion being what it is conceived to be throughout the world, surely the statesmen of the various nations can, in the not too distant future, evolve a policy or policies which will increase international trade and stabilize currency.

Confidence, more than any other thing, is what the world most lacks. Confidence of

Private Capital must be restored, and likewise at the same time must the confidence of Labour be established.

The report submitted by the Canada Life is based on the consideration that safety is the first essential factor to be considered by a life insurance company which has a true and proper regard for the interests of its policyholders.

Works Outlays Would Be Big

Utilities Shares \$10,000,000 in Vancouver If McGeer Plans Carried Out

Vancouver, Jan. 31.—Private utility companies would be called on to spend \$10,000,000 as their contribution to unemployment relief in Vancouver if Mayor G. G. McGeer's programme of public works was undertaken by the Dominion Government, a civic committee was told by W. G. Murray, president of the British Columbia Electric Railway, and James Hamilton, manager of the B.C. Telephone Company.

Alderman W. W. Smith, chairman of the committee revising the works schedule for submission to the Dominion and provincial governments, declared yesterday the utility executives had assured him their companies were "in sympathy with any effort we might use to create work and cure unemployment."

Their expenditures, Alderman Smith stated, would be necessitated by their obligation to carry out their portions of such improvements. For instance, the telephone company would put its wires underground and the railway company pave the centre strip of roadways and put in permanent tracks, he added.

Final approval of the works slate was postponed yesterday pending Mayor McGeer's return from the Calgary conference of western Canadian municipal leaders.

Mr. McGeer arrived back in the city yesterday evening.

YOU CAN'T BE CARELESS with COLDS

At the first sign take

Grove's L.B.Q.'s

A cold is an internal infection. Whether it develops into something serious or not depends on the precautions taken to check it. Common sense dictates that you take a cold remedy that will give internal treatment.

There is nothing better you can take for a cold than Grove's Laxative Bismuth. It is internal and direct—it goes to the source of the trouble. It does the fever, chills, sneezing, flow, it opens the bowels, eases, it cools the cold fever in the system and reduces feverish chills, it relieves the headache and "sniffy" feeling; fourth, it cleans up the entire system and furnishes further attacks.

Keep Grove's handy in your medicine cabinet. At the first sign of a cold take it as prescribed. Grove's Laxative Bismuth cleanses the system and stops that cold quickly and effectively.

Buy a box at your nearest druggist (the druggist is the most economical to buy). Make sure you get Grove's. They're in a white box.

Gyros Packed 91,315 Pounds In Hampers

Christmas Fund Largest Single Distribution in City's History; Entire Amount Expended For 1,408 Hampers

Establishing a record as the largest single hamper distribution in the city's history, the Gyro Club at Christmas time sent out 91,315 pounds of food to poor families. It is shown in the auditor's report of the fund released today by Harold L. Butters, club secretary.

This represented a total monetary value of \$6,012.11 of which \$4,583.11 was collected by way of direct cash subscription and the remainder in food donations.

The club distributed 1,408 individual hampers and then turned over what was left of the food to the Salvation Army. All the money collected from the 674 subscriptions was spent on food. No disbursements were made for administration of the fund or for delivery expenses, which services were all given free by club members and trucking firms of the city.

FOOD DISTRIBUTED

An idea of the amount of work involved is given in the following list of food distributed: Biscuits, 1,600 packets; bread, 2,400 loaves; butter, 1,710 pounds; cake (Christmas fruit), 2,810 pounds; candy, 1,500 pounds; cheese, 600 pounds; eggs, 617 dozen; rice, 1,535 packets; flour, 1,400 sacks (70); fruit (apples, oranges, 70); meat (roast beef), 4,000 pounds; milk (condensed), 3,004 tins; nuts (mixed), 1,500 pounds; oats (rolled), 1,500 cartons; raisins, 1,412 packets; soups (tin), 2,370 tins; sugar, 5,530 pounds; tea, 1,500 packets; vegetables (tin), 2,370 tins; fresh potatoes, 147 sacks; and fresh assorted vegetables, ninety-seven sacks.

In addition to a very large number of verbal and telephone messages of appreciation from those families who received the hampers of good cheer at Christmas, the Gyro Club has received 180 letters from grateful citizens, many of which are interesting.

Many Lord Lothian arrived here yesterday from Berlin. He denied reports Adolf Hitler was suffering from nervousness and strain and added he was impressed by Hitler's robust appearance.

SCIATICA

Sciatica is a condition of the lower back and legs, characterized by sharp, shooting pains. It is often caused by a herniated disc or a pinched nerve. Treatment usually involves rest, painkillers, and physical therapy.

NO SCHOOL IN CADBORO BAY

Sanich Trustees Settle Transportation Difficulties By Changes

There will not be a new school erected in the Cadboro Bay area this year at least, and transportation for all pupils whom the Sanich school trustees feel are entitled to it will be provided, the 1935 board decided at its first meeting yesterday when the question, which was widely discussed during the recent municipal election campaign, was finally settled at an extra cost to the taxpayers.

The board will provide transportation for the Cadboro Bay children to Cedar Hill School in Colliery Bay, and only those residing east of Noble Road will be carried. Those who live between Noble Road and the school must walk, the trustees feel, as the distance is not excessive, after having a detailed report of the distances from various points in this territory to the school.

The trustees are seeking the closure of the road to ensure there will be no attempt by children in the prohibited area to obtain rides on the bus.

The issue was settled yesterday evening after a long session of the board and representatives of the district which have extended over a period of more than six months. The board feels it has been unable to find a solution to the problem of the children of the district, including the bay residents and the Sanich taxpayers and stated it wished to work out a compromise.

REPORT IN HAND

A complete report on the distances traveled by students from different points in the bay community was submitted by chairman Walter P. Jones. This was checked yesterday by the trustees, and the chairman said, in answering the check-up was a fair and impartial one.

The route to be covered by the bus will extend from the present terminus at Cedar Hill School to Bay Road, by way of Cedar Hill Road, and thence straight along Bay Road to the school. The only pick-up points will be the terminus and the Cedar Hill Post Office, where, according to the board's figures, thirty-four pupils will be picked up.

For the particular benefit of Trusting Mathematics Gray, the new member of the board, it was explained the trustees were compelled to provide transportation for no student living west of Noble Road.

Under Section 100, however, dealing with the reasons why a child might be excused for non-attendance at school, the board explained that the attendance might be accounted for if the trustees had not provided transportation for a child residing more than three miles from the school, or a reasonable route.

SITUATION REVIEWED

The transportation situation was then generally dealt with and it was further explained that fifty-three pupils were being carried in the school bus to Cedar Hill School. Eleven of these, however, were being picked up within a mile and a half of the school, while the remainder were taken from the Cadboro Bay area.

In this latter section, though, there were only ten—those picked up at the terminus, who were eligible for transportation. The distance from the terminus to the school was checked as being 3.4 miles. From the post office the distance was only 1.6 miles. Other children coming from the former route were Lincoln Road and Pinner Road and Noble and Lincoln Roads. These will be discussed with the new route.

As far as the cost was concerned the system decided upon by the board will mean an expenditure of \$1,100 annually, or \$110 monthly per bus for the school year.

The board was given an optional system under which a single bus might make two trips over the route every morning and afternoon, at a cost of \$1,500 a year. This, however, would mean a considerably earlier start for some of the pupils and a return trip to the school in the afternoon. It was felt it could not be worked with satisfaction to all.

In the check-up on the number of pupils being carried, it was pointed out that at the new pick-up points there would be thirty-four pupils given rides, which would alleviate any complaints of crowding which the school had received.

The distance which the pupils in the restricted area will have to walk in no instances are more than a mile and three-quarters.

The intricate mechanism used for fire protection in the city of Vancouver is being reviewed by the fire department.

The trustees are seeking the closure of the road to ensure there will be no attempt by children in the prohibited area to obtain rides on the bus.

On Monday night the Young People's Society of First United Church will hold a social trip to the coast. The trip will be arranged by Bill Findlay and Spence Jones. The group met at the church and learned that their destination was the Victoria police headquarters. There, through the courtesy of Mr. Bamford, the Young People's Society was given a very interesting talk and demonstration on the system of finger prints, as used by the police department.

After a vote of thanks to Mr. Bamford by Winnie Robb, the group visited the fire alarm system, and were conducted through the room by Mr. Oliver who explained very clearly

THE SPORTS MIRROR

MR. MALCOLM CAMPBELL is not content to rest on his laurels as the fastest man in the world. Last year at Daytona Beach, Fla., he broke the sound barrier, clocking the speed of 211.18 miles per hour on his average run. That was a record which he has since broken, for he has now clocked 212.18 miles per hour on his latest run. The British sportsman was on his feet.

Campbell Logan In Fine Victory Over City Champ

Willows Club Star Defeats Des Bleasdale 15-11, 15-5 at Armories

Classiest Entry List in History

Graced by the strongest entry in history, the annual Vancouver Island Badminton Championships commenced yesterday evening at the Bay Street Armories. The event is being sponsored by the Victoria Garrison Badminton Club and will continue until Saturday. While the entry does not set any record for size, it boasts the finest collection of stars since its inception. A lengthy programme of thirty odd matches featured the evening's play, with some good matches being witnessed by the large crowd.

There were a couple of upsets and several matches that were nearly decided as surprises. Des Bleasdale, city champion, fell before the fine play of Campbell Logan, of the Willows Club, in straight sets, 15-11, 15-5. It marked the best local performance of Logan. Pam Thwaites, young Willows player from Port Moody, defeated Des Bleasdale in the second round, 15-11, 15-5. These two matches could be termed as upsets.

With so many good players in the tournament it was only to be expected that some good matches would be played. Especially in the singles was this evident. Besides Logan, George Lane, Victoria Club, and Tony Taylor of Victoria, were in the first round. In the second round, Logan defeated Lane, 15-11, 15-5. Taylor defeated Lane, 15-11, 15-5. These two matches could be termed as upsets.

KEEN DOUBLES PLAY
Tough in doubles appeared for some of the contestants in the women's doubles. Doreen Swaine found herself in a desperate situation and only a fighting finish saved her from the hands of the defeated. Muriel Simpson, youthful Burnaby lumbar, took the first set from the Willows Club champion, Doreen Swaine, in straight sets, 15-11, 15-5. In the second round, Simpson defeated Swaine, 15-11, 15-5. These two matches could be termed as upsets.

Again in the third Miss Simpson had a hard time in the singles. She was defeated by Doreen Swaine, 15-11, 15-5. In the second round, Simpson defeated Swaine, 15-11, 15-5. These two matches could be termed as upsets.

Lake Hill Victors In Thrilling Game

Defeat West Road 35 to 31 to Gain Final For Senior B Men's City Basketball Title; Dealats and Doo Dads in Play-off Victories

Playing before the largest crowd to witness league games this season Dealats, Doo Dads and Lake Hill scored victories in the basketball title at the Victoria High School gym yesterday evening.

Dealats, local intermediate A champions, showed too much class in their game with Outward, and romped through 47 to 19. Doo Dads defeated Outward 30 to 14.

Both these fixtures were the first of two-game series and the victories gave the Victoria clubs handsome margins. Lake Hill won a thrilling battle from West Road, 35 to 31, to gain the final against Northview.

Gotham Acclaims Revived Rangers

Steel Pads On Hockey Player

Canadian Press Staff Writer New York, Jan. 31.—Gotham's greatest scoring line and the New York Rangers team as a whole to-day had received an accolade that fairly shook old Manhattan on its bedrock foundation.

If the team had just won the Stanley Cup it is doubtful if it would have received more attention from the fans and glowing press notices than that which followed their smashing triumph Tuesday night over Toronto Maple Leafs, cup favorites.

However, it was not entirely the victory which roused New York pushing circles to such pitch. The fact that Rangers scored seven goals against Leafs' five was one reason for the jubilation.

BRILLIANT RECORD
The Bluebirds' points enabled Captain Bill Cook, brother Buck and Frankie Brucher to play the 1,000-point mark since playing as a unit. Bill's two centuries, a goal by Brucher plus three assists, and one marker and two assists by Buck, gave these great men of hockey 1,000 points, a record never before attained by any first-line trio. The three history makers have been together since the Rangers were first founded in 1926.

One of the remarkable features of the education now showered on the "old invaders" reflects a complete reversal of the attitude of the past. The team has just only a few games at the start of the season before the fans and critics cried in unison: "They're through. The aging veterans are all worn out."

However, acquisition later of Dave Kerr, ex-Montreal Maroon goalkeeper, and of Harold Starr, defenseman from Windsor, Michigan, and former Cornell University star, changed the Rangers on the long uphill climb that has seen them extend their undefeated streak to ten straight games, climb into third place in the American division standings and at the same time completely vindicate themselves in the eyes of their supporters.

RANGERS, who boast they are the only team in the league who are not "first" themselves, in the season's play, will have a chance tonight to prove to Leafs' admiring Toronto fans that their 7 to 5 victory was not a fluke.

In three games this season Rangers have won two games from Leafs and lost one, a better record than any other outfit. They also have defeated the Leafs' first home defeat of the season and have outscored them 16 to 15 in the series so far.

Without Ching Johnson's services, they were not first themselves, in the season's play, will have a chance tonight to prove to Leafs' admiring Toronto fans that their 7 to 5 victory was not a fluke.

Prices Aided By Scattered Buying In Winnipeg Pit

Winnipeg, Jan. 31.—Scattered buying orders entering a pit almost bare of selling gave wheat prices a further boost on the Winnipeg Grain Exchange today, and values, after a short session, closed 1/4 higher, May at 51 1/4 and July 51 1/4.

A forecast of increased wheat shipments from Argentina insured the weakness of Liverpool. It was anticipated Argentina would export 4,250,000 bushels, 500,000 bushels more than last week.

One of a quantity of barley to the United States, the activity being reported in the future where barley was up more than a cent at one time, wheat trading was slow.

Typical wheat prices: coarse grain, investment buying from New York, intermediate running its price up more than a cent.
